About University

Shobhit University aims to create a conducive, enabling academic climate to facilitate integration of the young mind into the logic of the present system and to develop educational means by which men and women deal critically and creatively with society and discover how to participate in the transformation of their world. The Government of Uttar Pradesh has notified our University in Gangoh, Saharanpur District, Uttar Pradesh by the name, Shobhit University, Uttar Pradesh under section 2(f) of the University Grant Commission (U.G.C.) Act, 1956 having been set up under the Shobhit Vishwa-vidyalaya, Uttar Pradesh Adhiniyam, 2011 (U.P. Act No.3 of 2012) as passed by Uttar Pradesh Legislature and assented by the H.E. Governor of Uttar Pradesh in March 2012.

As a testimony to mission, the university has now come of age and offers a wide range of programs in Biotechnology, Computer Engineering, Electronics Engineering, Mechanical Engineering, Civil Engineering, Business Management, Pharmacy, BAMS, Agricultural Sciences, Law, Education, Yoga & Naturopathy, Basic & Applied Science, etc. The university aims to fulfill the mission to empower over youth particularly in rural areas through quality education and to turn intellect into empowerment through several novel initiatives. Apart from the conventional way of teaching the university regularly organize workshop and seminar on recent trends on science and technology, focusing the upliftment of the students.

Theme

National Conference on "Innovations and advancements in Mechanical Engineering" (IAME-2016) The conference is arranged to provide a platform for researchers, students to present original work done by them which leads to sharing & exchanging of knowledge at a highly technical platform. We shall invite the student researchers and academicians from various IITs, NITs, Prestigious Universities and State Engineering colleges, etc. for presentations, deliberations, and discussions at a common platform. It is proposed to have a two-day program during April 22-23, 2016. In this conference, we plan to have several key note addresses from academic and industry experts, technical sessions involving students' research paper presentation, tutorials, books etc.

About the model exhibition:

Recognizing the importance of innovation the government of India has declared the decade 2010-2020 as the Decade of innovations with a focus on inclusive growth. Innovation need not always be a scientific invention or discovery which is based on high input R & D. Innovation in this context may be referred to as renewing, changing or creating more effective processes, products, ways of doing things or development of new values through solutions that meet new requirements. Innovation models from all person are welcome with maximum participation of four members.
