Details of Seed Money for Academic Year-2020-21

Circular

Ref: SUG/RO/SM/2020-2021/01

Dated: 08/04/2020

Dear Faculty Members,

We are excited to announce the launch of the Seed Money Scheme and invite faculty members to submit project proposals aimed at fostering research and innovation within our institution. This initiative offers a valuable opportunity to secure initial funding for promising research projects, supporting impactful and transformative ideas.

The deadline for submission is **20th April 2020**. All proposals will be carefully evaluated by the Internal Reviewing Committee to ensure they align with the highest standards of quality, relevance, and potential significance. This scheme underscores our institution's dedication to cultivating a culture of research excellence and encouraging the exploration of innovative concepts across diverse disciplines.

Faculty members are encouraged to utilize this funding opportunity to advance their research objectives. Whether you are embarking on a new research direction or expanding on existing work, the Seed Money Scheme provides the resources needed to bring your ideas to life and contribute meaningfully to the academic and scientific community.

For detailed guidelines or additional information, please contact the Research Office. Our team is ready to provide assistance and guide you through the application process, ensuring a seamless experience.

Approved Seed Money Sanction List

In line with the policy and your application for seed money to support your research project, the committee has approved the allocation of funds in your name. These funds must be used exclusively for the purposes outlined in your research proposal.

Upon project completion, you are required to submit a utilization certificate that details the expenses incurred according to the approved plan. This is necessary to ensure that the funds are used responsibly and effectively.

We kindly ask you to adhere to the guidelines provided in your proposal and keep accurate records to facilitate the submission of the utilization certificate. This process promotes transparency and reinforces our commitment to supporting impactful research, in line with institutional policies.

We are eager to see your project succeed and contribute to advancing research and innovation. If you have any questions or need assistance with fund utilization or the certificate submission, please do not hesitate to reach out to us.
