Details of Seed Money for Academic Year-2021-22

Circular

Ref: SUG/RO/SM/2021-2022/01

Dated: 10/04/2021

Dear Faculty Members,

We are pleased to announce the launch of the Seed Money Scheme and invite faculty members to submit project proposals aimed at promoting research and innovation within our institution. This initiative provides an excellent opportunity to secure initial funding for promising research endeavors, supporting the development of impactful projects.

The deadline for proposal submission is **18th April 2021**. All submissions will be thoroughly reviewed by the Internal Reviewing Committee to ensure they meet the highest standards of quality, relevance, and potential impact. This scheme reflects our commitment to fostering a culture of research excellence and encouraging innovative ideas across diverse disciplines.

We encourage all faculty members to take advantage of this funding opportunity to advance their research goals. Whether initiating a new project or building upon previous work, the Seed Money Scheme offers the resources needed to turn ideas into reality and contribute to the academic and scientific community.

For detailed submission guidelines or further information, please contact the Research Office. Our team is available to assist and guide you throughout the application process, ensuring a smooth and efficient experience.

Approved Seed Money Sanction List

In accordance with the policy and your application for seed money to support your research project, the committee has approved the funding allocated to your name. This funding must be utilized strictly for the purpose outlined in your research proposal.

Upon the completion of your project, you are required to submit a utilization certificate detailing the expenditures as per the approved plan. This step is essential to ensure proper accountability and the effective use of the allocated funds.

We request that you follow the guidelines specified in your proposal and maintain thorough records to aid in the submission of the utilization certificate. This process ensures transparency and aligns with our commitment to supporting high-impact research while adhering to institutional policies. We look forward to the successful completion of your project and its contributions to advancing research and innovation. Should you have any questions or require assistance regarding fund utilization or certificate submission, please feel free to contact us.

Certified that I have satisfied myself that the conditions on which grants were sanctioned have been duly fulfilled/are being fulfilled and that I have exercised following checks to see that the money has been actually utilized for the purpose for which it was sanctioned:

- I. The main accounts and other subsidiary accounts and registers (including assets Registers) are maintained as prescribed in the relevant Act/Rules/Standing instructions (mention the Act/Rules) and have been duly audited by designated auditors. The figures depicted above tally with the audited figures mentioned in financial statements/accounts.
- II. There exist internal controls for safe guarding public funds/assets, watching outcomes and achievements of physical targets against the financial inputs, ensuring quality in asset creation etc. & the periodic evaluation of internal controls is exercised to ensure their effectiveness.
- III. To the best of our knowledge and belief, no transactions have been entered that are in violation of relevant Act/Rules/standing instructions and scheme guidelines.
- IV. The responsibilities among the key functionaries for execution of the scheme have been assigned in clear terms and are not general in nature.
- V. The benefits were extended to the intended beneficiaries.
