Subject: Guideship Authorization for Postgraduate Thesis

Dear Abhinav Dhiman,

We are pleased to assign Dr. Vinay Kumar as your Guide for the completion of your postgraduate thesis titled "**The role of ACE2 gene receptor polymorphism in different types of liver disorders**". Your research work will focus on contributing valuable insights to the M.Sc Microbiology under the School of Biological Engineering and Sciences.

This guide ship aims to provide you with structured mentorship and support as you navigate through your research journey. Your Guide will assist in shaping your thesis in alignment with academic and research standards established by the university.

We wish you success in your research endeavours and are confident that your collaboration with Dr. Vinay Kumar will lead to meaningful contributions to the field.

Sincerely,
Registrar

PROVISIONAL REGISTRATION FOR Ph.D. PROGRAMME

Dear Gaurav,

1. Please refer to your application for Ph.D. admission in Pharmaceutical Sciences.
2. The committee constituted for the purpose took the following decision:

Proposed research area	:	Synthesis and characterization of benzoxazole derivative for antibacterial and antihypertensive activity.
Registration	:	Provisional
Enrolment No	:	2019010913
Registration No	:	SUG/PhD/2019/PS/09
Date of registration	:	15/12/2019
Supervisor	:	Dr. Bhupendra Chauhan, Associate Professor, AVIPS, Shobhit University

3. In addition to above the committee also approved the following courses which should be passed with 'B' grade, to become eligible for submission and approval of the synopsis for Ph.D. programme:

Subject code	Subject	Mode/Exam
RM901	Research methodology	#Regular classroom teaching/ written exam
PS902	Recent advances in Pharmaceutical Sciences	Directed self study under supervision/ written exam
RPE	Research and publication ethics	Regular classroom teaching/ written exam
PS981	Review of Literature	Literature survey/ presentation

The research scholar may study relevant parts of Research Methodology from MOOCs platform as well in addition to regular classes. If the scholar qualifies Research Methodology course of one semester duration as per the provisions of the PhD ordinance, then due credit will be given to him/her.

There shall be two sessionals and one end semester examination as per the schedule.

With Best Wishes,

Registrar

PROVISIONAL REGISTRATION FOR Ph.D. PROGRAMME

Dear Mr. Sanjay Kumar,

- Please refer to your application for Ph.D. admission in Pharmaceutical Sciences.
- The committee constituted for the purpose took the following decision:
Proposed topic : To establish scientific basis for folk medicines used as antitumor therapy in some areas of Himachal Pradesh
Registration : Provisional
Enrolment No : 2018010007
Registration No : SUG/PhD/2018/PS/05
Date of registration : 25/07/2018
Supervisor : Dr. Zulphikar Ali
Assistant Professor, AVIPS, Shobhit University, Gangoh.
- In addition to above the committee also approved the following courses which should be passed with at least 'B' grade, to become eligible for submission and approval of the synopsis for Ph.D. programme:

S.No	Subject code	Subject	Remarks
(i)	RM901	Research methodology	Classes will be held in weekends
(ii)	PS902	Relevant field/ Interdisciplinary area	Directed self study programme
(iii)	PS981	Review of published research work	*Through presentation

*The scholar will be required to make two presentations regarding the work related to review of literature carried out and two presentations on emerging trends in area of research.

- You are requested to deposit fee as applicable for Ph.D. before 01st August, 2018 and forward receipt to this office.

With Best Wishes,

Registrar

URDC Meeting- APPROVAL OF SYNOPSIS

Dear Mrs. Jyoti Maithani,

1. Further to our letter No. SUG/RO/PhD/2018/6 dated 23rd February, 2018.
2. URDC, in its meeting held on 10th March 2018 has recommended the following:

Synopsis	:	Approved
Registration	:	Confirmed
Enrolment No.	:	2017010475
Registration No.	:	SUG/RO/PhD/2017/I/01
Date of Registration	:	31 st January, 2017
Topic	:	A comparative solubility enhancement profile of paroxetine with different solubilization approaches.
Supervisor	:	Prof. (Dr.) Ranjit Singh, AVIPS, Shobhit University.
Co- Supervisor	:	Dr. Sanjay Singh, SIP, Dehradun
3. Further you are required to comply with the following observations of URDC and submit compliance within two weeks.
 - Modify topic as suggested.
 - May include more drugs & ensure novelty of work.
4. You are advised to carry out research work and forward six monthly progress report as per annexure -I (copy attached).
5. You are requested to deposit fees as applicable for Ph.D. second semester before 31st March 2018 and forward receipt to the office.

Subject: Guideship Authorization for Postgraduate Thesis

Dear Rushi,

We are pleased to assign Mr. Priyank Bharti as your Guide for the completion of your postgraduate thesis titled "**Bio-surfactant reformation of commercial detergent " A new perspective of laundry and cosmetic industries"**". Your research work will focus on contributing valuable insights to the M.Sc Microbiology under the School of Biological Engineering and Sciences.

This guide ship aims to provide you with structured mentorship and support as you navigate through your research journey. Your Guide will assist in shaping your thesis in alignment with academic and research standards established by the university.

We wish you success in your research endeavours and are confident that your collaboration with Mr. Priyank Bharti will lead to meaningful contributions to the field.

Sincerely,
Registrar
