| Coordinator of the activity | Dr. Divya Prakash |
| Conducting Department | School of Biological Engineering & Sciences |
| Total Number of the Participants | 15 |
| Venue | Seminar Hall |
| Purpose of the Activity | The purpose of the Faculty Development Program on “Bioethics and Biosafety” was to equip educators with essential knowledge and skills regarding ethical issues and safety protocols in biotechnology. The program aimed to enhance understanding of regulatory frameworks, foster responsible research practices, and promote the integration of bioethics into teaching and research. Ultimately, it sought to empower faculty to address contemporary challenges in biosafety and ethics in their academic and professional endeavors. |
| Resource Person(s) | Dr. Divya Prakash |
| Outcome of the Activity | The Faculty Development Program on “Bioethics and Biosafety” resulted in enhanced faculty understanding of ethical principles and biosafety regulations. Participants gained practical skills for implementing biosafety protocols, improved knowledge of ethical research practices, and fostered collaboration among educators. The program also inspired the integration of bioethics into curricula, promoting responsible research and teaching practices in biotechnology. |
| Feedback: | Participants provided positive feedback on the Faculty Development Program on “Bioethics and Biosafety,” highlighting the relevance of the topics covered and the expertise of the speakers. Many appreciated the interactive sessions and workshops, which facilitated practical learning and application of concepts. The program was praised for fostering valuable discussions on ethical dilemmas and biosafety protocols, with attendees expressing increased confidence in addressing these issues in their teaching and research. Overall, the collaborative atmosphere and networking opportunities were also well-received, contributing to a meaningful experience. |

|---|---|
| Title of the Activity: | Mind-Body Medicine: Techniques for Stress Reduction and Wellbeing |
| Date | 10/08/2021 to 14/08/2021 |
| Coordinator of the activity | Mr. Pradeep Sharma |
| Conducting Department | Kunwar Shekhar Vijendra Medical College of Naturopathy & Yogic Sciences |
| Total Number of the Participants | 27 |
| Venue | Seminar Hall |
| Purpose of the Activity | The purpose of the FDP on Mind-Body Medicine, held from March 14 to 16, 2023, was to enhance faculty knowledge and skills in integrating mental and physical health practices. Keynote speakers aimed to provide comprehensive insights and practical techniques for promoting holistic well-being in academic and clinical settings. |
| Resource Person(s) | Dr. Neha Verma, Dr. Pankaj Singh, Dr. Kavita Reddy, Dr. Arjun Patel, Dr. Meera Sharma, Dr. Vikram Jain, Mr. Suresh Malhotra |
| Outcome of the Activity | The FDP on Mind-Body Medicine, held from March 14 to 16, 2023, enhanced participants' understanding of the interconnectedness of mental and physical health. Keynote speakers provided valuable insights and practical skills, enabling attendees to integrate mind-body medicine into their professional practice, fostering holistic health approaches. |
| Feedback: | The Faculty Development Program (FDP) on Mind-Body Medicine, held from March 14 to 16, 2023, was exceptionally enlightening. Keynote speakers Dr. Neha Verma, Dr. Pankaj Singh, Dr. Kavita Reddy, Dr. Arjun Patel, Dr. Meera Sharma, Dr. Vikram Jain, and Mr. Suresh Malhotra delivered insightful sessions that seamlessly integrated theoretical knowledge with practical applications. Participants gained a deeper understanding of the interplay between mental and physical health, and the interactive workshops were particularly praised for their hands-on approach. The program's holistic perspective and the expertise of the speakers significantly enriched the learning experience, making it an invaluable addition to our professional development. |

| Title of the Activity: | Corporate Law and Governance |
| Date | July 22 – 24, 2021 |
| Coordinator of the activity | Dr. Usman Khan |
| Conducting Department | School of Law and Constitutional Studies |
| Total Number of the Participants | 30 |
| Venue | Seminar Hall |
| Purpose of the Activity | The Faculty Development Program (FDP) on "Corporate Law and Governance" aims to deepen participants' understanding of the legal frameworks and governance principles essential for managing corporations. It focuses on enhancing knowledge of company law, securities regulations, and ethical management practices. The FDP also addresses contemporary issues like corporate social responsibility and sustainability, fostering analytical skills for evaluating governance structures. By promoting interdisciplinary learning and industry-academia collaboration, the program seeks to improve research and teaching methodologies, contributing to academic and professional excellence in corporate law and governance. |
| Photographs | The Faculty Development Program (FDP) on "Law and Society: Corporate Law and Governance," held from July 22 – 24, 2021, aims to deepen participants' understanding of the evolving landscape of corporate law and governance. This program is designed to address contemporary issues and challenges in corporate regulation, compliance, and governance practices. By exploring the intricate relationship between law and corporate governance, the FDP seeks to enhance participants' knowledge of legal frameworks, regulatory standards, and governance mechanisms essential for effective corporate management. Through expert-led sessions and case studies, participants will gain insights into best practices, emerging trends, and strategic approaches to corporate governance. The goal is to equip educators and professionals with the expertise to critically analyze corporate legal issues, implement robust governance structures, and contribute to advancing legal and regulatory standards in the corporate sector. |
| Outcome of the Activity | Faculty members gained comprehensive insights into corporate law and governance, focusing on current challenges and best practices. The FDP enhanced their understanding of legal frameworks, regulatory requirements, and governance strategies, equipping them to address complex issues in corporate law more effectively within their professional roles. |
| Feedback: | The FDP on Law and Society: Corporate Law and Governance was highly insightful. The sessions were well-structured and provided a thorough understanding of contemporary issues in corporate law and governance. Participants appreciated the practical perspectives and expert analysis, which greatly enhanced their knowledge and teaching strategies. |

| Coordinator of the activity | Dr. Divya Prakash |
| Conducting Department | School of Biological Engineering & Sciences |
| Total Number of the Participants | 16 |
| Venue | Seminar Hall |
| Purpose of the Activity | The purpose of the Faculty Development Program on Biophysics and Structural Biology was to enhance educators' knowledge and skills in biophysical techniques and structural analysis, promote interdisciplinary collaboration, and foster innovative teaching methods in the field. Participants aimed to improve their research capabilities and curriculum development in biophysics and related disciplines. |
| Resource Person(s) | Dr. Divya Prakash |
| Outcome of the Activity | The program resulted in enhanced faculty expertise in biophysics and structural biology, improved teaching methodologies, increased collaboration among participants, and the development of innovative research projects, ultimately enriching academic programs and student learning experiences in these fields. |
| Feedback: | Participants appreciated the program's engaging content and expert speakers, highlighting the practical applications of biophysics and structural biology. Many noted improved confidence in teaching and research, alongside valuable networking opportunities that fostered collaboration and idea exchange. |

| Title of the Activity: | Law and Society: Interdisciplinary Approaches to Legal Education |
| Date | September 13 – 17, 2021 |
| Coordinator of the activity | Dr. Usman Khan |
| Conducting Department | School of Law and Constitutional Studies |
| Total Number of the Participants | 34 |
| Venue | Seminar Hall |
| Purpose of the Activity | The Faculty Development Program on "Law and Society: Interdisciplinary Approaches to Legal Education," held from September 13 – 17, 2021, aims to enrich legal educators with a multifaceted understanding of how law intersects with various social sciences. This program explores the integration of sociology, economics, and cultural studies into legal education to foster a more comprehensive approach to teaching and research. With insights from experts such as Mr. Subham Sharma, Ms. Neha Rani, Ms. Sanjeeta, and Mr. Anil Kumar, participants will gain valuable perspectives on the role of interdisciplinary methods in addressing contemporary legal issues and enhancing legal curricula. The FDP seeks to equip educators with innovative tools and methodologies to better analyze and address complex legal and societal challenges, ultimately contributing to more effective and holistic legal education and research. |
| Outcome of the Activity | Faculty members gained a deeper understanding of integrating interdisciplinary approaches into legal education. The FDP equipped them with innovative methodologies from sociology, economics, and cultural studies, enhancing their ability to address complex legal issues and improve legal curricula. The program fostered a more comprehensive and practical approach to legal education. |
| Feedback: | The FDP provided valuable insights into interdisciplinary approaches. The sessions led by Mr. Subham Sharma, Ms. Neha Rani, Ms. Sanjeeta, and Mr. Anil Kumar were highly engaging and informative, significantly enhancing participants' understanding of integrating social sciences into legal education. |

| Title of the Activity: | Cyber Law and Data Protection |
| Date | May 09 – 11, 2022 |
| Coordinator of the activity | Dr. Usman Khan |
| Conducting Department | School of Law and Constitutional Studies |
| Total Number of the Participants | 62 |
| Venue | Seminar Hall |
| Purpose of the Activity | The Faculty Development Program (FDP) on Cyber Law and Data Protection, held from May 09 – 11, 2022, aims to equip participants with essential knowledge and skills to address the complexities of cyber law and data protection. This program is designed to address the growing challenges in the digital realm, focusing on legal frameworks, regulatory compliance, and cybersecurity strategies. Through a series of expert-led sessions, participants will explore critical topics such as data privacy laws, cybercrime, risk management, and the implementation of effective data protection measures. The FDP will feature insights from leading professionals in the field, providing practical guidance on navigating legal issues related to data breaches, cyberattacks, and regulatory requirements. By the end of the program, attendees will be better prepared to manage and safeguard data, ensuring legal compliance and enhancing their capacity to handle cybersecurity challenges in their respective professional roles. |
| Resource Person(s) | Dr. Tarun K Sharma (SU); Dr. Ambuj Agarwal (Sharda Univ. Noida) |
| Outcome of the Activity | Faculty members gained a comprehensive understanding of cyber law and data protection principles. They acquired practical skills to address cybersecurity threats and ensure data compliance, enhancing their ability to navigate legal challenges in the digital landscape and protect sensitive information effectively. |
| Feedback: | The FDP on Cyber Law and Data Protection was exceptionally informative and engaging. The sessions offered valuable insights into current cyber threats and data protection strategies. The speakers provided practical guidance and updated knowledge, significantly enhancing participants' ability to address cyber law challenges effectively. |

Activity Report

| | |
|---|--|
| Title of the Activity: | Bioinformatics Tools and Techniques for Biotechnology Applications |
| Date | 07/03/2022 to 11/03/2022 |
| Coordinator of the activity | Dr. Vinay Kumar |
| Conducting Department | SBES |
| Total Number of the Participants | SBES |
| Purpose of the Activity | FDP on Bioinformatics Tools and Techniques for Biotechnology Applications fostered proficiency in analyzing large-scale biological data sets (genomics, proteomics, transcriptomics) using bioinformatics tools, enabled participants to derive meaningful insights and make data-driven decisions. FDP program facilitated the integration of bioinformatics into biotechnological research projects, thus enhanced participants' ability to conduct innovative research and contribute to scientific advancements. It addressed ethical considerations related to bioinformatics research, data privacy, and responsible use of genomic data, ensuring participants adhere to ethical guidelines in their research and professional practices. |
| Venue | Seminar hall |
| Resource Person | <ol style="list-style-type: none">1. Dr. Manu Pant (HOD, Department of Biotechnology, Graphic Era University, Dehradun, Uttarakhand)2. Dr. Naveen Kumar, Assistant Professor, SBES, Shobhit University, Gangoh |
| Outcome of the Activity | FDP on Bioinformatics Tools and Techniques for Biotechnology Applications enabled participants to learn data analysis techniques, including sequence alignment, gene expression analysis, and pathway analysis, essential for biotechnological research. Participants developed professional networks, fostered collaborations and knowledge exchange that extend beyond the duration of the program. |

| Title of the Activity: | Research Ethics and Integrity |
| Date | January 20 – 22, 2022 |
| Coordinator of the activity | Dr. Varun Bansal |
| Conducting Department | School of Engineering & Technology |
| Total Number of the Participants | 91 |
| Venue | Seminar Hall |
| Purpose of the Activity | Aims to provide educators and researchers with a comprehensive understanding of ethical principles and practices in research. This program will cover key topics such as ethical guidelines, informed consent, plagiarism prevention, and responsible conduct in research. Through expert-led lectures, case studies, and interactive discussions, participants will learn how to uphold ethical standards, ensure integrity in their research processes, and handle ethical dilemmas effectively. The FDP seeks to foster a culture of ethical research practices, enhancing participants' ability to conduct and supervise research with the highest levels of professionalism and integrity. |
| Resource Person(s) | Prof. Gaurav Manik (IIT Roorkee); Dr. Tarun K Sharma; Dr. Om Prakash Verma (Dr. B. R. Ambedkar National Institute of Technology Jalandhar); Dr. Jitendra Rajpurohit (Symbiosis Institute of Technology, Symbiosis International (Deemed University), Pune); Dr. Vaibhav Gupta (Sr. Technical Officer, IRDE, DRDO Dehradun, Uttarakhand) |
| Outcome of the Activity | Participants gained a thorough understanding of research ethics and integrity, improving their ability to uphold ethical standards, prevent misconduct, and address ethical challenges in their research activities. |
| Feedback: | Participants found the FDP highly informative, with valuable insights into ethical research practices. The case studies and discussions effectively enhanced their understanding of maintaining integrity and addressing ethical issues. |

| Title of the Activity: | Advance Excel |
| Date | June 23 – 25, 2022 |
| Coordinator of the activity | Dr. Varun Bansal |
| Conducting Department | School of Engineering & Technology |
| Total Number of the Participants | 46 |
| Venue | Seminar Hall |
| Purpose of the Activity | Advanced Excel aims to enhance participants' proficiency in using Microsoft Excel for complex data analysis and management. This program will cover advanced Excel features, including pivot tables, complex formulas, data visualization tools, and automation through macros and VBA. Through interactive sessions, practical exercises, and real-world case studies, participants will learn to efficiently analyze and present data, streamline workflows, and solve intricate problems using Excel. The FDP seeks to empower educators and professionals with the skills needed to leverage Excel's advanced functionalities, thereby improving their data handling capabilities and supporting their teaching and research efforts. |
| Resource Person(s) | Dr. Tarun K Sharma and Mr. Anuj Kumar |
| Outcome of the Activity | Participants developed advanced Excel skills, including complex formulas and data visualization techniques. They are now better equipped to analyze, manage, and present data effectively in their professional and academic roles. |
| Feedback: | Participants found the FDP highly beneficial, appreciating the in-depth coverage of advanced Excel features. The hands-on exercises and practical applications significantly improved their data analysis and management skills. |

| Title of the Activity: | ICT in Education |
| Date | 13 – 18 June 2022 |
| Coordinator of the activity | Dr. Varun Bansal |
| Conducting Department | School of Engineering & Technology |
| Total Number of the Participants | 87 |
| Venue | Seminar Hall |
| Purpose of the Activity | FDP on ICT in Education aims to enhance educators' proficiency in using Information and Communication Technology (ICT) to improve teaching and learning processes. This program will cover the integration of digital tools, online platforms, and multimedia resources into the curriculum. Participants will learn how to design engaging digital content, facilitate online collaboration, and utilize data analytics for student assessment and personalized learning. Through expert-led sessions, hands-on workshops, and collaborative discussions, the FDP seeks to empower educators with the skills and knowledge to effectively leverage ICT, fostering innovation, and enhancing educational outcomes in both traditional and virtual classrooms. |
| Resource Person(s) | Dr. Varun Bansal (Shobhit University Gangoh); Dr. Tarun K Sharma; Dr. Nidhi Tyagi; Dr. Mamta Bansal; Avinav Pathak (SIET Deemed to be University) Meerut |
| Outcome of the Activity | Faculty members learned to effectively use digital tools and online platforms to create engaging and interactive educational content. As a result, educators are now better prepared to foster innovative learning environments, improve student engagement and outcomes, and stay current with technological advancements in the field of education. |
| Feedback: | Participants found the FDP on ICT in Education extremely valuable, praising the practical insights and hands-on training. They appreciated the expert guidance on integrating digital tools into teaching, which significantly enhanced their ability to create engaging and effective learning environments. |

| Title of the Activity: | Synthetic Biology and its Applications |
| Date | 06/06/2022 to 10/06/2022 |
| Coordinator of the activity | Dr. Vinay Kumar |
| Conducting Department | SBES |
| Total Number of the Participants | 25 |
| Purpose of the Activity | <ol style="list-style-type: none">1. To provide a thorough understanding of the fundamental principles and techniques of synthetic biology.2. To develop proficiency in techniques such as gene editing, DNA synthesis, and computational modeling.3. To provide teaching materials, lab exercises, and curriculum resources tailored to synthetic biology.4. To explore the diverse applications of synthetic biology in fields like medicine, agriculture, environmental science, and industrial biotechnology.5. To discuss the ethical, legal, and social implications (ELSI) of synthetic biology, ensuring responsible research and application. |

Dr. Vinod Kumar, Professor, G.M.V. Rampur Maniharan Saharanpur-UP9. Dr. Shivani, Assistant Professor, School of Agriculture Engineering and Sciences, Shobhit University. |
| Outcome of the Activity | Knowledge Enhancement <ol style="list-style-type: none">1. In-depth Understanding of Agro-ecology: Participants will gain a comprehensive understanding of agro-ecological principles, practices, and their significance in sustainable agriculture.2. Biodiversity Conservation Strategies: Attendees will learn about various strategies for conserving biodiversity within agricultural systems, including community-based approaches and policy frameworks. |

3. **Best Practices and Case Studies:** Exposure to best practices and successful case studies in agro-ecology and biodiversity conservation will provide practical insights and inspiration.

Skill Development

1. **Practical Application:** Hands-on training sessions and field visits will equip participants with the practical skills necessary to implement agro-ecological practices and biodiversity conservation techniques.
2. **Monitoring and Evaluation:** Participants will develop skills in monitoring and evaluating biodiversity within agricultural landscapes, enhancing their ability to assess and improve conservation efforts.
3. **Curriculum Development:** Faculty members will learn how to integrate agro-ecology and biodiversity conservation into their teaching and research, including the development of relevant curriculum content.

Professional Growth

1. **Networking and Collaboration:** The program will provide opportunities for participants to network with peers, experts, and practitioners, fostering future collaborations and professional relationships.
2. **Research and Funding Opportunities:** Information on funding opportunities for research and projects in agro-ecology and biodiversity conservation will help participants pursue further research and initiatives.
3. **Action Plan Development:** By the end of the FDP, participants will have developed action plans to implement the knowledge and skills gained in their respective institutions and communities.

Institutional Impact

1. **Enhanced Teaching and Research:** The FDP will contribute to the enhancement of teaching and research quality in agro-ecology and biodiversity conservation at the participants' institutions.
2. **Policy Influence:** Participants will be better equipped to influence and contribute to policy-making processes related to sustainable agriculture and biodiversity conservation.
3. **Community Engagement:** The program will encourage faculty members to engage with local communities and stakeholders, promoting sustainable agricultural practices and biodiversity conservation at the grassroots level.

| | <p>Environmental and Societal Benefits</p> <ol style="list-style-type: none">1. Sustainable Agricultural Practices: Adoption of agro-ecological practices will contribute to more sustainable and resilient agricultural systems, benefiting the environment and local communities.2. Biodiversity Preservation: Improved conservation strategies will help preserve biodiversity, supporting ecosystem health and stability.3. Improved Livelihoods: By promoting sustainable agriculture and biodiversity conservation, the FDP will indirectly contribute to improved livelihoods for farmers and rural communities. |
| Feedback: | Participants provided positive feedback on the program's content, organization, and delivery. Many expressed their intention to incorporate the best practices learned into their teaching and research activities. The FDP successfully achieved its objectives of enhancing knowledge and promoting sustainable practices in agro-ecology and biodiversity conservation. |
