### Report

<b>Title of the Activity:</b>	<b>NAAC ORIENTATION</b>
<b>Date</b>	<b>March 11 – 17, 2024</b>
<b>Coordinator of the activity</b>	<b>Dr. Tarun K Sharma</b>
<b>Conducting Department</b>	<b>School of Engineering &amp; Technology</b>
<b>Total Number of the Participants</b>	<b>125</b>
<b>Venue</b>	<b>Seminar Hall</b>
<b>Purpose of the Activity</b>	NAAC Orientation is designed to familiarize educators and administrators with the National Assessment and Accreditation Council (NAAC) accreditation process. This program aims to provide comprehensive insights into the NAAC's evaluation criteria, procedures, and documentation requirements. Participants will learn best practices for preparing institutional reports, enhancing quality standards, and achieving accreditation goals. Through interactive sessions, expert lectures, and practical workshops, the FDP will equip attendees with the necessary tools and knowledge to effectively navigate the accreditation process. By fostering a culture of continuous improvement and quality assurance, the program aims to elevate institutional performance and contribute to the overall enhancement of higher education standards.
<b>Resource Person(s)</b>	Prof. Ranjit Singh (VC – SU Gangoh); Prof. Ashok Kumar and Dr. Aniket Kumar (SIET (Deemed to be University Meerut); Mr. Subhanker Sahu
<b>Outcome of the Activity</b>	Participants understand the NAAC accreditation process, enhancing their institution's quality standards and documentation practices.
<b>Feedback:</b>	Participants found the NAAC orientation highly informative and practical. The detailed insights into accreditation criteria and documentation significantly boosted their confidence and preparedness for the accreditation process. Excellent interactive sessions and expert guidance.

### Report

<b>Title of the Activity:</b>	<b>Clinical Training in Naturopathic Assessment and Diagnosis</b>
<b>Date</b>	<b>January 29- 02, 2024</b>
<b>Coordinator of the activity</b>	<b>Dr. Shiba Jha</b>
<b>Conducting Department</b>	<b>Kunwar Shekhar Vijendra Medical College of Naturopathy &amp; Yogic Sciences</b>
<b>Total Number of the Participants</b>	<b>25</b>
<b>Venue</b>	<b>Seminar Hall</b>
<b>Purpose of the Activity</b>	The Faculty Development Program (FDP) on Clinical Training in Naturopathic Assessment and Diagnosis, scheduled for January 29 to February 2, 2024, aims to enhance the clinical skills and knowledge of faculty members in the field of naturopathic medicine. This FDP is designed to provide participants with advanced training in naturopathic assessment techniques, diagnostic methods, and their integration into clinical practice. Through a combination of theoretical sessions, hands-on workshops, and practical case studies, attendees will gain a deeper understanding of the principles and practices of naturopathic diagnosis. The program also focuses on integrating naturopathic methods with conventional diagnostic approaches, equipping participants with the tools to effectively assess and manage patient health. Ultimately, this FDP seeks to empower faculty members to deliver high-quality education and training in naturopathic assessment and diagnosis to future practitioners.
<b>Outcome of the Activity</b>	The FDP on Clinical Training in Naturopathic Assessment and Diagnosis successfully equipped participants with advanced skills in naturopathic assessment and diagnostic techniques. Attendees gained practical experience and integrated knowledge, enhancing their ability to teach and apply these methods effectively in clinical settings, thereby improving the quality of naturopathic education.
<b>Feedback:</b>	The FDP on Clinical Training in Naturopathic Assessment and Diagnosis was highly valuable, offering comprehensive insights and hands-on experience in advanced assessment techniques. The integration of practical case studies and interactive workshops significantly enhanced our clinical skills and knowledge, preparing us to better educate future practitioners in naturopathic medicine.

### Report

<b>Title of the Activity:</b>	<b>Recent Trends and Advancements in Computer Science &amp; Engineering</b>
<b>Date</b>	<b>May 14 – 18, 2024</b>
<b>Coordinator of the activity</b>	<b>Dr. Tarun K Sharma</b>
<b>Conducting Department</b>	School of Engineering & Technology
<b>Total Number of the Participants</b>	61
<b>Venue</b>	<b>Seminar Hall</b>
<b>Purpose of the Activity</b>	The Faculty Development Program (FDP) on Recent Trends and Advancements in Computer Science & Engineering aims to enhance the knowledge and skills of educators, researchers, and professionals in the dynamic field of computer science. This program will focus on the latest developments and innovations in areas such as artificial intelligence, machine learning, data science, cybersecurity, blockchain, and cloud computing. Participants will gain insights into cutting-edge technologies and methodologies that are shaping the future of the industry. Through expert-led sessions, hands-on workshops, and interactive discussions, the FDP seeks to foster a deeper understanding of contemporary challenges and opportunities, promoting academic excellence and research acumen. By equipping participants with advanced tools and techniques, the program aspires to elevate the quality of education and research in computer science, ultimately contributing to the development of skilled professionals who can drive technological progress and innovation.
<b>Resource Person(s)</b>	Dr. Vaibhav Gupta (IRDE, DRDO); Dr. Sanjay Sharma (HPU Shimla); Dr. Sachin Gaur (Bipin Tripathi Kumaon Institute of Technology Dwarahat); Dr. Jitendra Rajpurohit (SIT, Symbiosis International (Deemed University), Pune); Prof. Michael Onyema Edeh Coal City University, Enugu, Nigeria (Online)
<b>Outcome of the Activity</b>	Participants gained advanced knowledge of cutting-edge technologies (AI, ML etc.), enhance their research capabilities, and develop practical skills through hands-on workshops. This will enable them to effectively integrate contemporary trends into their teaching and research, fostering innovation and excellence in their academic and professional endeavors.
<b>Feedback:</b>	Faculty praised the efforts of the Speakers and collaborated the speakers for their research work.

## Activity Report

<b>Title of the Activity:</b>	<b>Environmental Biotechnology: Sustainable Solutions for a Changing World</b>
<b>Date</b>	09/05/2024 to 11/05/2024
<b>Coordinator of the activity</b>	Mrs. Sarita Sharma
<b>Conducting Department</b>	SBES
<b>Total Number of the Participants</b>	25
<b>Purpose of the Activity</b>	FDP on Environmental Biotechnology: Sustainable Solutions for a Changing World provide participants with an in-depth understanding of the principles and applications of environmental biotechnology, along with hands-on experience in using biotechnological tools and techniques. It educates participants on sustainable biotechnological solutions to address environmental challenges such as pollution, waste management, and climate change, promoting the adoption of eco-friendly practices. It encourages innovative thinking and research in the field of environmental biotechnology by exposing participants to recent advances, emerging trends, and cutting-edge technologies. This program raises awareness of regulatory frameworks, policies, and governance related to environmental biotechnology, enabling participants to navigate and influence the policy landscape effectively. It empowers participants to apply biotechnological solutions in their communities and ecosystems, promoting environmental health and sustainability at local, regional, and global levels.
<b>Venue</b>	Seminar hall
<b>Resource Person</b>	<ol style="list-style-type: none"><li>1. Dr. Abhinav Srivastava (Scientist at Mahavir Cancer Sansthan and research center)</li><li>2. Prof. (Dr.) Rajiv Dutta, HOD, SBES, Shobhit University, Gangoh</li><li>3. Mohd Ahamad, SBES, Shobhit University, Gangoh</li></ol>
<b>Outcome of the Activity</b>	Participants gained comprehensive understanding of environmental biotechnology principles, techniques, and applications, allowing them to integrate this knowledge into their teaching and research activities.

	Participants were equipped to design and implement sustainable biotechnological solutions for environmental challenges, such as pollution control, waste management, renewable energy production, and climate change mitigation.
<b>Feedback:</b>	Faculty members valued the expertise and teaching methods of the instructors. The hands-on workshops were extremely valuable, providing practical experience that complemented the theoretical knowledge.

### Report

<b>Title of the Activity:</b>	<b>Herbal Medicine and Phytotherapy</b>
<b>Date</b>	<b>April 18 – 20, 2024</b>
<b>Coordinator of the activity</b>	<b>Dr. Shiba Jha</b>
<b>Conducting Department</b>	<b>Kunwar Shekhar Vijendra Medical College of Naturopathy &amp; Yogic Sciences</b>
<b>Total Number of the Participants</b>	<b>43</b>
<b>Venue</b>	<b>Seminar Hall</b>
<b>Purpose of the Activity</b>	The Faculty Development Program (FDP) on Herbal Medicine and Phytotherapy, scheduled from April 18 to April 20, 2024, aims to enhance the knowledge and practical skills of educators in the field of natural medicine. This FDP is designed to provide participants with a comprehensive understanding of herbal medicine and its applications in modern healthcare. Through expert-led sessions, hands-on workshops, and case studies, participants will explore the benefits, safety, and efficacy of various herbal treatments. The program seeks to bridge the gap between traditional practices and contemporary medical science, fostering an integrative approach to health and wellness. By the end of the FDP, attendees will be equipped with advanced insights and tools to incorporate herbal medicine and phytotherapy into their teaching and research, ultimately contributing to the advancement of holistic healthcare education.
<b>Outcome of the Activity</b>	The FDP on Herbal Medicine and Phytotherapy will equip participants with advanced knowledge and practical skills in herbal treatments. Attendees will gain insights into integrating traditional and modern approaches, enhancing their ability to contribute to holistic healthcare education and research.
<b>Feedback:</b>	The FDP on Herbal Medicine and Phytotherapy was highly informative and well-organized. Participants appreciated the blend of theory and practical sessions, gaining valuable insights into herbal treatments. The program successfully enhanced their understanding and skills, fostering a deeper appreciation for integrating traditional and modern healthcare approaches.

### Report

<b>Title of the Activity:</b>	<b>Revitalizing Lifestyle Through Yoga Practice</b>
<b>Date</b>	<b>22/08/2023 to 26/08/2023</b>
<b>Coordinator of the activity</b>	<b>Dr. Shiba Jha</b>
<b>Conducting Department</b>	<b>Kunwar Shekhar Vijendra Medical College of Naturopathy &amp; Yogic Sciences</b>
<b>Total Number of the Participants</b>	<b>33</b>
<b>Venue</b>	<b>Seminar Hall</b>
<b>Purpose of the Activity</b>	The Faculty Development Program (FDP) on Revitalizing Lifestyle through Yoga Practice, scheduled from August 22 to 26, 2023, aims to enrich the knowledge and skills of faculty members in the principles and practice of yoga. The primary purpose of this FDP is to provide a comprehensive understanding of yoga's holistic approach to health and well-being. Through a series of lectures, interactive workshops, and practical sessions led by esteemed Indian speakers, participants will explore the multifaceted benefits of yoga, including physical fitness, mental clarity, and emotional balance. The program seeks to empower educators with the tools and techniques needed to incorporate yoga into their personal and professional lives, thereby enhancing their overall lifestyle. By integrating yoga into their daily routines and teaching methodologies, faculty members can promote a healthier, more balanced lifestyle for themselves and their students, fostering a supportive and wellness-focused academic environment.
<b>Outcome of the Activity</b>	The FDP on Revitalizing Lifestyle through Yoga Practice successfully enhanced participants' knowledge and skills in yoga. Attendees gained practical techniques for incorporating yoga into daily life, promoting physical, mental, and emotional well-being. The program empowered educators to integrate yoga principles into their teaching and personal routines.
<b>Feedback:</b>	The Faculty Development Program (FDP) on Revitalizing Lifestyle through Yoga Practice, held from August 22 to 26, 2023, was highly impactful. The sessions, led by esteemed Indian speakers, were comprehensive and insightful, covering various aspects of yoga and its practical applications. Participants appreciated the blend of theoretical knowledge and hands-on practice, which significantly enhanced their understanding and skills. The program effectively highlighted the benefits of yoga for physical, mental, and emotional well-being, providing valuable techniques for integrating yoga into daily routines. Overall, the FDP was a valuable experience, fostering a deeper appreciation for yoga's role in lifestyle improvement.

### Report

<b>Title of the Activity:</b>	<b>Applications of Machine Learning &amp; Artificial Intelligence</b>
<b>Date</b>	<b>August 08 – 12, 2023</b>
<b>Coordinator of the activity</b>	<b>Dr. Varun Bansal</b>
<b>Conducting Department</b>	<b>School of Engineering &amp; Technology</b>
<b>Total Number of the Participants</b>	<b>47</b>
<b>Venue</b>	<b>Seminar Hall</b>
<b>Purpose of the Activity</b>	The Faculty Development Program (FDP) on Applications of Machine Learning & Artificial Intelligence aims to equip educators and professionals with a comprehensive understanding of machine learning (ML) and artificial intelligence (AI) applications. This program will cover foundational concepts, including supervised and unsupervised learning, neural networks, and AI-driven solutions. Through expert-led sessions, case studies, and practical workshops, participants will explore real-world applications of ML and AI in various domains such as healthcare, finance, and automation. The FDP seeks to enhance participants' ability to incorporate these technologies into their teaching and research, fostering innovation and advancing their expertise in cutting-edge technological fields.
<b>Resource Person(s)</b>	Dr. Tarun K Sharma; Dr. Om Prakash Verma (NIT Jalandhar); Dr. Snajay Sharma (HPU Shimla); Dr. Vaibhav Gupta (IRDE-DRDO Dehradun); Dr. Vineet Vishnoi (SIET Meerut)
<b>Outcome of the Activity</b>	Participants gained practical knowledge and skills in applying machine learning and artificial intelligence technologies, enhancing their ability to integrate these advanced techniques into their research and teaching practices.
<b>Feedback:</b>	Participants found the FDP highly valuable, appreciating the practical insights and hands-on experience that enhanced their understanding of AI and ML applications.

### Report

<b>Title of the Activity:</b>	<b>International Trade and Investment Law</b>
<b>Date</b>	<b>01 – 05 August 2023</b>
<b>Coordinator of the activity</b>	<b>Dr. Usman Khan</b>
<b>Conducting Department</b>	<b>School of Law and Constitutional Studies</b>
<b>Total Number of the Participants</b>	<b>25</b>
<b>Venue</b>	<b>Seminar Hall</b>
<b>Purpose of the Activity</b>	International Trade and Investment Law, scheduled for August 1-5, 2023, aims to equip faculty members with a comprehensive understanding of the global trade and investment landscape. The program will delve into the intricate frameworks and mechanisms governing international trade, including the World Trade Organization (WTO) regulations, Bilateral Investment Treaties (BITs), and Regional Trade Agreements. Participants will explore critical topics such as trade dispute resolution, investment arbitration, intellectual property rights, and the role of international organizations in trade facilitation. By engaging with eminent speakers, including Dr. Imran Khan, Mr. Amir, Dr. Kuldeep Kumar, Mr. Subham Sharma, Mr. Gaurav Tyagi, and Dr. Pritam Panwar, attendees will gain insights into emerging issues, trade policies, and the future trends in international investment law. This FDP aims to foster academic excellence, enhance research capabilities, and promote a deeper understanding of the complexities of global trade and investment among educators.
<b>Resource Person(s)</b>	Dr. Imran Khan, Dr. Amir, Dr. Kuldeep Kumar, Dr. Subham Sharma, Mr. Gaurav Tyagi, Dr. Pritam Panwar
<b>Outcome of the Activity</b>	FDP on International Trade and Investment Law will gain a thorough understanding of global trade regulations, dispute resolution mechanisms, and investment law. They will be equipped with the knowledge to teach and research international trade issues effectively, fostering academic and professional excellence in this field.
<b>Feedback:</b>	The FDP on International Trade and Investment Law was highly insightful and well-organized. The sessions provided in-depth knowledge on global trade regulations and investment laws. The speakers were knowledgeable and engaging. Overall, it significantly enhanced our understanding and teaching capabilities in international trade law.

<b>Purpose of the Activity</b>	The Faculty Development Program (FDP) on Nutrition and Dietary Therapies, held from November 20 to 22, 2023, is designed to advance the knowledge and skills of faculty members in the field of nutrition. The primary purpose of this FDP is to provide educators with an in-depth understanding of the latest developments in nutrition science and dietary therapies. Through a series of lectures, interactive workshops, and practical sessions, participants will explore evidence-based approaches to nutrition, including the role of diet in preventing and managing chronic diseases. The program aims to enhance participants' ability to incorporate current research and dietary practices into their teaching, thereby improving the quality of education in nutrition and dietary therapy. By fostering a comprehensive understanding of nutritional principles and their practical applications, the FDP seeks to empower faculty to deliver effective, up-to-date instruction and guidance to students and practitioners in the field.
<b>Resource Person(s)</b>	Dr. Pradeep Sharma, Dr. Kapil Mohan, Dr. Swati Mishra, Dr. Kalyani
<b>Outcome of the Activity</b>	The Faculty Development Program (FDP) on Nutrition and Dietary Therapies, conducted from November 20 to 22, 2023, yielded significant outcomes for participating faculty. Under the expert guidance of Dr. Pradeep Sharma, Dr. Kapil Mohan, Dr. Swati Mishra, and Dr. Kalyani, attendees gained a robust understanding of contemporary nutrition science and dietary interventions. The program's interactive sessions and hands-on workshops provided practical skills in applying evidence-based dietary therapies for disease prevention and health optimization. Participants are now better equipped to integrate the latest research into their curriculum and offer informed guidance on nutritional strategies. The FDP successfully enhanced faculty members' ability to teach complex nutritional concepts effectively, thereby enriching the educational experience for students. Overall, the program empowered educators to contribute to improved health outcomes through advanced knowledge and application of nutrition and dietary therapies.
<b>Feedback:</b>	The FDP on Nutrition and Dietary Therapies was exceptional, with insightful sessions led by Dr. Pradeep Sharma, Dr. Kapil Mohan, Dr. Swati Mishra, and Dr. Kalyani. The program provided valuable, practical knowledge and enhanced our ability to teach advanced nutrition concepts effectively, enriching our educational approach.

### Report

<b>Title of the Activity:</b>	<b>Cloud Computing and Virtualization: Principles and Practical Implementations</b>
<b>Date</b>	<b>November 07 – 11, 2023</b>
<b>Coordinator of the activity</b>	<b>Dr. Varun Bansal</b>
<b>Conducting Department</b>	<b>School of Engineering &amp; Technology</b>
<b>Total Number of the Participants</b>	<b>35</b>
<b>Venue</b>	<b>Seminar Hall</b>
<b>Purpose of the Activity</b>	Cloud Computing and Virtualization: Principles and Practical Implementations aims to equip educators and professionals with in-depth knowledge of cloud computing technologies and virtualization principles. This program will cover fundamental concepts, architecture, and deployment models of cloud computing, along with virtualization techniques that enable efficient resource management and scalability. Through expert-led sessions, hands-on labs, and interactive discussions, participants will gain practical skills in setting up and managing cloud environments, virtual machines, and containers. The FDP seeks to enhance participants' ability to integrate cloud-based solutions into their teaching and research, fostering innovation and efficiency in IT practices. Ultimately, the program aims to prepare participants to leverage cloud computing and virtualization for enhanced academic and professional outcomes.
<b>Resource Person(s)</b>	Prof. P. Venkata Suresh, Director - School of Computer and Information Sciences IGNOU, New Delhi; Dr. Ranjeet Kumar Rout, National Institute of Technology Srinagar, Jammu & Kashmir; Dr. Amit Hirawat, Manipal University Jaipur; Dr. Sumit Singh Dhanda, IILM University, Greater Noida
<b>Outcome of the Activity</b>	Participants benefitted with the practical skills in cloud computing and virtualization, enabling them to effectively integrate these technologies into their academic and professional work.
<b>Feedback:</b>	Participants praised the FDP on Cloud Computing and Virtualization for its comprehensive coverage and practical approach. They appreciated the hands-on labs and expert guidance, which significantly enhanced their understanding and confidence in implementing these technologies. The program was highly effective and enriching.

### Report

<b>Title of the Activity:</b>	<b>Computer Vision and Image Processing</b>
<b>Date</b>	<b>September 25 – 27, 2023</b>
<b>Coordinator of the activity</b>	<b>Dr. Varun Bansal</b>
<b>Conducting Department</b>	<b>School of Engineering &amp; Technology</b>
<b>Total Number of the Participants</b>	<b>59</b>
<b>Venue</b>	<b>Seminar Hall</b>
<b>Purpose of the Activity</b>	The FDP on Computer Vision and Image Processing aims to provide educators, researchers, and professionals with a thorough understanding of the core principles and advanced techniques in these fields. This program will cover key topics such as image enhancement, object detection, pattern recognition, and deep learning applications in computer vision. Through expert-led lectures, hands-on workshops, and interactive discussions, participants will gain practical skills and knowledge in developing and implementing computer vision algorithms and image processing techniques. The FDP seeks to enhance participants' research capabilities and teaching methodologies, enabling them to stay current with technological advancements and apply these concepts to solve real-world problems. Ultimately, the program aims to foster innovation and excellence in computer vision and image processing education and research.
<b>Resource Person(s)</b>	Dr. Preeti Gupta (Narsee Monjee Deemed to-be University Mumbai, Maharashtra); Dr. Amrit Singh Sandhu (PEC Deemed to be University Chandigarh); Dr. Rishabh Anand (Coforge Limited Noida)
<b>Outcome of the Activity</b>	Participants will gain advanced knowledge and practical skills in computer vision and image processing, enhancing their research capabilities and teaching methodologies, and enabling them to apply these technologies to real-world problems.
<b>Feedback:</b>	Participants found the FDP highly insightful and practical. The hands-on workshops and expert lectures significantly improved their understanding and application of computer vision and image processing techniques.

**Feedback:**

The practical sessions were extremely useful. The hands-on workshops provided the faculty with direct experience in techniques that are critical for conducting high-quality research in this field.
