Beyond the campus environmental promotion activities

Activity Report

Activity Name	Swachh Gaon, Swasth Jeevan under Unnat Bharat Abhiyan
Date	10 th August 2023
Venue	Jandhera Village
Organized by	School of Engineering Technology, Shobhit University
Brief Report	<p>The "Swachh Gaon, Swasth Jeevan" initiative, organized under the Unnat Bharat Abhiyan, focused on promoting cleanliness and healthy living in rural communities. The program aimed to create awareness about the importance of hygiene, sanitation, and sustainable practices for a healthier lifestyle. Activities included cleanliness drives to remove waste from public areas, workshops on waste segregation and composting, and awareness sessions on personal and community hygiene. Villagers were also provided with resources such as dustbins and eco-friendly cleaning materials to maintain cleanliness. The campaign emphasized the connection between a clean environment and overall well-being. It fostered community participation and ownership, inspiring long-term behavioral changes to sustain cleanliness and health in the village.</p>

Activity Report

Activity Name	Plastic-Free India
Date	10 th February 2024
Venue	Gangoh, Saharanpur
Organized by	Shobhit University, Gangoh, Saharanpur
Brief Report	<p>The "Plastic-Free India" initiative was organized to reduce plastic waste and promote sustainable living in local communities. The event aimed to raise awareness about the environmental impact of plastic pollution and encouraged residents to adopt alternatives to single-use plastics.</p> <p>Activities included community clean-up drives to collect plastic waste, educational workshops on reducing plastic usage, and distribution of reusable bags, bottles, and other eco-friendly products. Participants were encouraged to pledge for a plastic-free lifestyle and make changes in their daily habits to reduce plastic consumption.</p> <p>The event successfully engaged the community in a collective effort to address plastic pollution, fostering a greater sense of responsibility toward the environment. It also provided a platform for residents to share tips and solutions for living plastic-free.</p>

Activity Report

Activity Name	Eco-Awareness Campaigns
Date	10 th June 2023
Venue	Gangoh, Saharanpur
Organized by	School of Ayurveda (KSVAMC & RC)
Brief Report	<p>The "Eco-Awareness Campaigns" were organized to promote environmental consciousness among the local community. The campaigns included a series of activities such as workshops, clean-up drives, recycling initiatives, and tree plantation events.</p> <p>Participants were educated about sustainable living practices, waste management, and the significance of reducing their carbon footprint. The event also featured engaging discussions led by environmental experts and interactive booths demonstrating eco-friendly products and practices.</p> <p>Over 40 people attended the campaigns, which successfully sparked discussions and commitments to adopt greener lifestyles. The event fostered a collective responsibility toward preserving the environment and inspired many to take immediate action.</p>

Activity Report

Activity Name	Eco-Friendly Living: Online Awareness Drive
Date	12 th April 2022
Venue	Online
Organized by	School of Education, Shobhit University, Gangoh
Brief Report	<p>The "Eco-Friendly Living: Online Awareness Drive" was organized as a virtual initiative to promote sustainable and eco-conscious lifestyles among a wide online audience. The drive aimed to educate people on simple, everyday actions that can reduce their environmental impact and foster a more sustainable future.</p> <p>The campaign included a series of webinars, social media posts, and interactive sessions with environmental experts discussing topics like reducing plastic usage, conserving water, promoting energy efficiency, and supporting eco-friendly products. Participants were encouraged to share their own sustainable practices and commit to adopting greener habits.</p> <p>The online format allowed the event to reach a diverse audience, engaging people from different regions and backgrounds. It successfully raised awareness about environmental issues and empowered individuals to take responsibility for their actions in making the planet greener and healthier.</p>
Photograph	 <p>The photograph shows a screenshot of a Zoom meeting grid. The grid displays 32 participants in a 4x8 layout. Each tile shows a participant's video feed (or a profile picture) and their name. The names visible include: BANKI YADAV, Shashi, Parul Rani, Kim Rakhi, Shivani Baidi, Anushka, R., Punam Chhoker, Arpana Singh, Shalu Awana, avtar kumar, mohit taneja, manju devi, Absar Tomar0074, Sujata singh gujjar, Sneha Pathak, Saurabh Kumar, Shebeena rajput, Babu, Gaurav Saran, Neha Singh, Sumedha ayya, Pratiksha Panwar, Anshu Choudhary, Bhavna Kumari, Ruby Rani, abhishek saini, Vanshika Choudh..., apoorva chauhan, deepshikha chou..., and 17 others. The bottom of the screenshot shows the Zoom control bar with a timestamp of 4:09 PM and the name pja-vbwo-fev.</p>

Activity Report

Activity Name	Clean Air for Better Health
Date	12 th December 2023
Venue	Gangoh, Saharanpur
Organized by	School of Pharmacy (AVIPS)
Brief Report	<p>The "Clean Air for Better Health" event was organized to raise awareness about air pollution and its impact on public health. The initiative aimed to educate the community about the importance of clean air for overall well-being and to encourage actions to reduce air pollution locally.</p> <p>The event included informative sessions with health professionals and environmental experts, who discussed the links between air quality and respiratory diseases, as well as strategies for improving air quality in urban areas. Activities also included a clean-up drive, tree planting, and the distribution of air-purifying plants and resources for air quality monitoring.</p> <p>The event emphasized practical steps individuals can take, such as reducing car emissions, using eco-friendly products, and planting trees to help filter the air. It was met with great enthusiasm from the community, and participants committed to adopting cleaner, healthier habits.</p>

Activity Report

Activity Name	Sustainable Futures: Environmental Survey Camp
Date	13 th to 15 th , May 2024
Venue	Maldevta, Dehradun, Uttarakhand
Organized by	Dept. of Civil Engineering, School of Engineering & Technology, Shobhit University, Gangoh
Brief Report	<p>The "Sustainable Futures: Environmental Survey Camp" was organized to provide hands-on learning experiences to students and promote environmental awareness. The three-day camp aimed to integrate theoretical knowledge with practical applications in the field of civil engineering, focusing on sustainable development practices.</p> <p>Participants engaged in various activities, including environmental impact assessments, water resource mapping, soil testing, and biodiversity surveys. The camp also featured expert-led sessions on sustainable engineering practices and their role in preserving the environment.</p> <p>Located in the scenic region of Maldevta, Dehradun, the camp offered students an opportunity to interact with the natural environment while applying their skills to real-world challenges. The initiative encouraged students to adopt environmentally responsible practices in their future professional endeavors.</p>

Activity Report

Activity Name	Tree for Every Home Campaign
Date	15 th May 2022
Venue	Residential Area, Gangoh
Organized by	School of Education, Shobhit University
Brief Report	<p>The "Tree for Every Home Campaign" was conducted to promote environmental sustainability and awareness within the community. The campaign encouraged families to plant at least one tree at their homes, contributing to the larger goal of combating climate change and enhancing urban greenery.</p> <p>Participants were educated on the importance of afforestation and proper tree care through workshops and interactive sessions. Over 45 trees were distributed to participants during the event, which saw enthusiastic participation from 70 households.</p> <p>The initiative not only aimed at increasing green cover but also fostered a sense of responsibility towards nature among the attendees. The campaign concluded successfully, with heartfelt commitments from the community to continue such efforts.</p>

Activity Report

Activity Name	Jal Jeevan: Preserving Water for Future Generations on World Water Day
Date	21 st March 2022
Venue	Katrali Sarovar
Organized by	Shobhit University, Gangoh
Brief Report	<p>The "Jal Jeevan: Preserving Water for Future Generations" event was held on World Water Day to raise awareness about water conservation and the importance of preserving this vital resource for future generations. The event aimed to educate participants on sustainable water usage, the challenges of water scarcity, and the role of individuals and communities in water management.</p> <p>Activities included workshops on water conservation techniques, discussions on the global water crisis, and hands-on demonstrations of water-saving technologies. A major highlight of the event was a clean-up drive at Katrali Sarovar, where students and faculty worked together to improve the water quality and surroundings.</p> <p>The event saw active participation from students, faculty, and local community members, all of whom committed to taking steps toward reducing water wastage and ensuring cleaner, healthier water sources for future generations.</p>
