SCRIBE DECLARATION

This is to certify that **Shobhit University** is committed to supporting students with special needs during examinations, in accordance with the applicable regulations and policies laid down by the governing bodies. The university ensures the provision of scribes to assist eligible candidates who have been authorized to avail such support due to physical disabilities, medical conditions, or any other specified reasons.

The following outlines the guidelines and standards followed by the university in arranging scribe support:

Eligibility Criteria for Scribe Provision

The provision of a scribe is determined based on the submission and verification of valid supporting documents from a recognized authority. This includes certificates issued by a qualified medical practitioner, as required.

Appointment of Scribes

The university selects scribes based on a strict vetting process to ensure that they possess the necessary competence and impartiality. Scribes are not allowed to be from the same academic discipline as the candidate they are assisting, and their role is strictly limited to faithfully transcribing the answers dictated by the candidate.

Code of Conduct for Scribes

Scribes are briefed on the rules and ethics to be maintained during the examination. They are prohibited from offering any form of assistance beyond writing or marking responses dictated by the candidate. Any deviation from these regulations will result in disciplinary actions.

Procedure for Requesting Scribe Services

Candidates seeking the support of a scribe must submit a formal request at least [specify time frame, e.g., two weeks] prior to the examination date, along with relevant documentation. The university reserves the right to verify all documentation for authenticity and accuracy.

Confidentiality Assurance

All scribes are bound by confidentiality agreements to protect the integrity of the examination process and the privacy of the candidates they assist.

The university remains dedicated to ensuring fair and accessible assessment conditions for all its students, upholding its commitment to inclusion and equal opportunity.
