## ABOUT US

Shobhit University, Gangoh has been notified by the Government of Uttar Pradesh vide Shobhit Vishwavidyalaya, Uttar Pradesh Adhiniyam, 2011 (U.P. Act No.3 of 2012) passed by Uttar Pradesh Legislature and assented by the H.E. Governor of Uttar Pradesh. Shobhit University, Gangoh is recognised by University Grants Commission under section 2(f) of the UGC Act, 1956.

Shobhit University aims to create a conducive, enabling academic climate to facilitate integration of the younger generation into the logic of the present system and to develop educational means by which men and women deal critically and creatively with reality and discover how to participate in the transformation of their world.

Kunwar Shekhar Vijendra Medical College of Naturopathy & Yogic Sciences established in the year 2016 is a constituent department of Shobhit University, Gangoh. KSVMCNYS was established in accordance with the Central Council of Research in Yoga & Naturopathy, Ministry of AYUSH, Government of India. The college will be developed as a prestigious centre for education in Yoga and Naturopathy, nationally as well as internationally.

## OUR MISSION

Kunwar Shekhar Vijendra Medical College of Naturopathy & Yogic Sciences, Shobhit University will become a pivot for development of this God's science globally. Our mission is :

- To facilitate the growth and development of Naturopathy and Yogic Sciences education
- To impart high quality graduate and postgraduate training in all branches of Naturopathy and Yogic Sciences
- To envision, organize and conduct research on various aspects of Naturopathy and Yogic Sciences
- To establish a Centre of Excellence that provides Naturopathy and Yogic Sciences medical care to suffering humanity

## GOALS OF BNYS COURSE

- To effectively integrate the conventional basic sciences (e.g. human physiology) with the traditional medical systems and to enhance the understanding of their effects and therapeutic potential;
- To provide state of the art learning facilities (e.g. audio visual aids, interactive learning systems) to conceptualize the ancient medical system;
- To run advanced laboratories under each department (basic and clinical sciences) for effective experimental training and research;
- To explore the possibilities of promoting effective integrated medical practice at conventional medical facilities attached to the institute;
- To provide the best possible clinical setting for clinical training and research;
- To prepare every Yoga and Naturopathic physician with an in depth understanding of Basic sciences, superior clinical training and with an outlook for research and development

Gangoh is a historical town at the banks of river Yamuna in District Saharanpur of UP, which is approximately 150 km North of New Delhi. It is about 40 kms. from three prominent industrial towns, i.e. Saharanpur, Karnal & Yamuna Nagar. The University buildings are contemporary, light and artistically designed and surrounded by natural scenic landscape.

## CAREER PROSPECTS

A BNYS doctor can work in following domains after completion of the degree:

- General practice in clinics with minimum infrastructure; government and private hospitals;
- National Rural Health Mission (NRHM) under AYUSH, in all states of India;
- Academic, research or science in various government and non-governmental organizations;
- Specialty clinics targeting individual disorders like obesity, stress, allergy, lifestyle, de-addiction, back pain, diet counseling, rehabilitation (medical, psychiatry and post-surgical);
- Stress management and lifestyle management consulting in corporate hospitals and holistic wellness centers;
- Hospitality industry in India and abroad;
- A graduate can also opt for another degree after the BNYS, including the MD (Naturopathy-Clinical/ Yoga-Clinical/ Acupuncture), MBA (Hospital Healthcare Management), MPH, MSc Health Sciences, MSc Nutrition, PhD and MSc Regenerative Medicine.
